

FAIRFIELD GLADE LADIES CLUB  
GENERAL MEETING MINUTES  
Minutes of May 2, 2018

Pledge of Allegiance – Introduced by Colleen Mall , Airman First Class Electra Streck(AirForce). Electra grew up in a small town in Ohio and not being directed for college, elected to enter the United States Airforce upon graduation from high school in 1967 where she got a great education from a career she loves to life experiences. Her permanent duty station was Andrews AF Base in Maryland, where Air Force One is based. Airman First Class Streck was in the first graduating class of women in the Dental Laboratory Field where they made removable and fixed dental appliances, better known as teeth. This education really paid off for her as she continued in that field for 40 plus years as a dental lab owner. Who says you can't succeed without college! She says it was the best time of her life and she would do it all over again. She is very proud to have served the greatest country in the World.
