

ARK ENCOUNTER & CREATION MUSEUM!

November 13-14, 2018 (Tuesday & Wednesday)

Have you ever wondered how big was Noah's Ark? How did Noah fit all the animals? How did Noah feed and care for the animals? How did Noah build the Ark? At "Ark Encounter," they built a full-size Noah's Ark to answer these questions...and more. You enter Noah's world aboard the massive Ark; you'll tour three decks filled with scores of world-class exhibit bays. These stunning exhibits allow you to experience what Noah's life may have been like? Come along with the Fairfield Glade Ladies Club to the Ark to find out the answers!

Day 1 – Your deluxe motorcoach travels to Williamstown, KY to the “Ark Encounter.” This world-class theme park features the most authentic, full-size replica of Noah’s Ark in the World. Built according to the dimensions given in the Bible, it spans 510 feet long, 85 feet wide, and 51 feet high (4-story building). It is the largest timber frame structure in the world! Words describe the Ark as massive, awesome, unbelievable, jaw-dropping, just to name a few. This massive ship depicts the Biblical tale of Noah’s Ark with interactive exhibits. Let us transport you back in time to meet Noah and his family, who lived aboard the Ark and cared for all of the animals during the Flood. Many of the sculptured, lifelike animals didn’t look much like animals that we see today, but you can see exotic live animals from around the world in the Ararat Ridge Zoo. You can also ride a camel or try zip lining! A buffet luncheon is included at Emzara’s Kitchen at the Ark Encounter. Lodging tonight is at the Best Western Inn in Florence, Kentucky. Evening is at your leisure. **Meals: Lunch**

Day 2 – Following your included hotel breakfast, we’re off to the state-of-the-art, sister museum of the Ark, the “Creation Museum.” Prepare to Believe! This museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Experience earth history as God has revealed it in the Bible. At the heart of the museum is a chronological retelling of biblical history. Step back in time, beginning with Creation, and fast-forward to Christ’s return. Your walk through biblical history begins with the Garden of Eden, giving a glimpse of the paradise Adam and Eve enjoyed. It’s like the Bible leapt off the pages! Learn how the Bible provides the starting point for science. Noah had 55 teen-age dinosaurs on the Ark. Fearsome legends of dragons are known around the world. Find out if these stories provide clues about dinosaurs! Walk the mile, paved trail that takes you over bridges and offers a unique view of gardens and waterfalls as you explore the beauty of God’s creation all around you. If you didn’t ride a camel at the Ark, you can still do it here and also zip lining is available. Don’t miss the theatre production, “The Last Adam!” The Planetarium is not included in your admission. Following your visit to the Creation Museum, you will depart for home. **Meals: Hotel Breakfast**
